

Xander® Kitchen Collection

All too often, the most notable aspect of contemporary kitchen faucets is the high price. But not with our Xander collection. Xander is sleek, refined, and bold—everything you'd hope for in a contemporary faucet—but without the inflated price. Xander kitchen faucets are available in an array of variations, including pull-down and pull-out models.

Xander® Bath Collection

Design trends keep changing. But the demand for affordable, reliable bath fixtures remains constant. We engineered the Xander collection to meet both sides of the equation. The Xander bath collection features sleek, contemporary lines that will complement any sink, tub, or shower. Models and accessories are available in an array of configurations to meet almost any application.
